

(It is recommended that if the Purchaser is not an experienced Beekeeper, that the Purchaser engage an experienced beekeeper to inspect all hives prior to purchase)

2. The Purchaser will at his own expense pick up the hives from the Vendors current registered sites

Or

The purchaser will take over the hives from the vendor at the following sites :

- (a)
 - (b)
 - (c)
-

(Optional clause

- a. If hives are purchased in Spring then no warranty period*
 - b. If hives are purchased in Autumn then a period of 30 days*
 - c. If hives are purchased in Late May, June, July then a warranty period of up to 2 months may be appropriate.*
 - d. If hives are located in the Auckland north or areas where there is constant brood, then no warranty period is appropriate.*
-

It is further agreed between the Vendor and Purchaser that if any of the Hives develop AFB (*within x days/months of possession date*) the Purchaser will be responsible for the total destruction of any such hives, including, floors and roof, and advice to the Management Agency (Agriquality NZ Ltd). The Vendor will refund to the Purchaser the value of the hive destroyed as per purchase price above.

(Further optional clause)

If the Purchaser elects to treat any equipment from those AFB hives found, by approved sterilization methods as per the methods agreed in the AFB PMS book, then the vendor shall only be responsible for repayment of those parts destroyed as per the following schedule:

<i>Floor value</i>	\$
<i>Honey super Value</i>	\$
<i>Roof value</i>	\$
<i>Other equipment value</i>	\$

It is agreed that all brood boxes , frames & bees, in any hive found with AFB will be destroyed .

The Purchaser undertakes to re-locate the purchased hives in AFB free apiaries under his/her control. Should the percentage of purchased hives found to have AFB within the specified time of x days/ months be greater than 10% of the total, Then the vendor and Purchaser, together with the Management Agency (AFB PMS) specified person (APII) shall inspect all hives on sites where the purchased hives are located. Any refund of the purchase price shall be negotiated after the inspection and report to determine the liability of the Vendor for any refund of the purchase price.
